NDAGIRE RACHEAL

COMPUTER ENGINEER

+256 784995981/ +256 752464786 ndagireracheal290@gmail.com

SUMMARY

A motivated and detail-oriented Computer Engineering student with hands-on experience in IT operations, networking, hardware maintenance, and customer service. Demonstrates strong analytical and problem-solving skills, with proven ability to adapt to dynamic environments. Experienced in technical support, data management, and basic accounting systems, with proficiency in tools such as Microsoft Office, Cisco Packet Tracer, and QuickBooks. Passionate about leveraging technology to improve organizational efficiency while continuously learning and growing in the field of computer engineering.

TECHNICAL SKILLS

Programming Languages: Python, Java, JavaScript
Networking: Cisco Packet Tracer, IP addressing, Subnetting, VLAN setup, Routing protocols
Web & System Development: HTML, CSS, Basic Web Applications, System Maintenance
Database Management: Basic understanding of database systems
Hardware & Electrical: Computer hardware repair and maintenance, Basic electrical installations
Accounting & Taxation Tools: Tally, QuickBooks, EFRIS, VAT, PAYE, and Income Tax return filing
Office & Design Tools: Microsoft Word, Excel, PowerPoint, Figma

SOFT SKILLS

Analytical Thinking Problem Solving Communication Teamwork Time Management
Attention to Detail Customer Service Adaptability Leadership

EMPLOYMENT HISTORY

Contract Operations Officer, Metropol Credit Reference Bureau **Mar 2025 – Jun 2025**

- ✓ Handled walk-in, phone, and email customer inquiries with professionalism.
- ✓ Reviewed and resolved credit disputes in compliance with company policies.
- ✓ Generated and interpreted credit bureau reports to support decision-making.
- ✓ Maintained accurate dispute resolution records ensuring data integrity.
- ✓ Supported credit data submission meetings and stakeholder communication.
- ✓ **Gained skills:** Data analysis, customer service, professional communication, dispute resolution, compliance management, report generation, and teamwork.

Operations Officer, Chrindy General Solutions Limited **Dec 2019 – Feb 2025**

- ✓ Managed daily business operations, including sales, inventory, and customer relations.
- ✓ Enhanced brand visibility and customer engagement through social media marketing.
- ✓ Conducted product testing and demonstrations for clients, highlighting key features.
- ✓ Oversaw procurement, prepared invoices, and coordinated product deliveries.
- ✓ Ensured customer satisfaction through follow-ups and professional after-sales support.

- ✓ **Gained skills:** Business operations management, sales and marketing, digital promotion, customer relationship management, financial documentation, procurement, leadership, and communication.

Internship Trainee, Cotuno Practical Accounting and Taxation Trainers **Jul – Dec 2024**

- ✓ Completed hands-on training in accounting and taxation principles.
- ✓ Created TINs and filed VAT, PAYE, and income tax returns under supervision.
- ✓ Used EFRIS and accounting software such as Tally and QuickBooks for transaction management.
- ✓ **Gained skills:** Accounting and taxation processes, data entry accuracy, use of accounting software (Tally, QuickBooks, EFRIS), VAT/PAYE filing, financial reporting, and compliance understanding.

Internship Trainee, Ministry of Water & Environment **Jun – Aug 2023**

- ✓ Assisted in IT support, troubleshooting, and system development using Python.
- ✓ Participated in fieldwork for computer network planning in Moroto District.
- ✓ Supported project implementation and ICT infrastructure maintenance.
- ✓ **Gained skills:** Python programming, system and web development, hardware maintenance, network planning, project coordination, IT support, and teamwork.

Internship Trainee, Kampala Capital City Authority (KCCA) **Aug – Oct 2022**

- ✓ Supported the IT team in maintaining network infrastructure and hardware systems.
- ✓ Conducted diagnostics and troubleshooting to ensure reliable network performance.
- ✓ **Gained skills:** Computer networking, hardware installation, maintenance, troubleshooting, technical documentation, and collaboration in an IT environment.

Bootcamp Trainee, CISCO Networking Bootcamp, COCIS Makerere University **Nov 2022**

- ✓ Configured Cisco switches and routers for basic network communication.
- ✓ Practiced IP addressing, VLAN setup, and routing protocols (RIP, OSPF).
- ✓ Applied basic network security and troubleshooting procedures using CLI.
- ✓ **Gained skills:** Router and switch configuration, VLAN setup, subnetting, IP addressing, routing protocols, network troubleshooting, and basic cybersecurity principles.

EDUCATION

Bachelor of Science in Computer Engineering

Makerere University, Kampala, Uganda

Uganda Advanced Certificate of Education

Janan Secondary School, Bombo

Uganda Certificate of Education

Seeta High School, Mukono

PROJECTS

GPT-Powered Luganda-Inclusive Virtual Voice Assistant

Developed an inclusive GPT-powered virtual voice assistant supporting both **Luganda and English**, aimed at improving accessibility for visually impaired and low-literacy users. Integrated **OpenAI ChatGPT** for natural conversation, **Whisper** for speech recognition, and **Sunbird AI** for Luganda transcription and translation. Designed wake-word activation (*"Myra English" / "Myra Luganda"*) for language switching and built a user-friendly standalone interface. The project promotes **AI inclusivity** for over 20 million Luganda speakers in Uganda.

Skills Gained: Python, TensorFlow, OpenAI GPT, Whisper, Sunbird AI
